

Leadership Essentials

The Learning Community Journey

Your Learning Community journey with PLI lasts two and a half years and includes a total of five immersion experiences that occur twice a year (approximately every six months).

At the end of every immersion experience, you will leave with an actionable six-month plan to implement in your context to incrementally achieve your Spirit-led goals. Below are the themes for each immersion.

1

Visionary, Missional Leadership

Come to an understanding of & a commitment to God's mission, based on God's call, your context, capabilities, & identify where initial changes are needed to align lives and their ministries to God's mission.

2

Discovering Congregational Vision/Building Healthy Lives & Relationships

Build understanding of ministry context & develop a ministry vision based on that context, God's call, your capabilities & passions, & the context of the community. Spiritual/emotional wellbeing & a healthy marriage investment are included.

3

Leading Change For the Sake of the Mission

Be equipped emotionally & spiritually to start leading change for the sake of the mission in your context.

4

Together in Mission

Begin to learn the rhythms of functioning as a team(s) of people on mission in your community & confront the barriers that push against it.

5

Multiplication and Movement for Mission

Learn to align life & ministry in a sustainable pattern to advance the mission of God.
